2016-1-MT01-KA205-015140	Gozo	Anthony Briffa	Maximizing Youth's Talent and Heightening Self-confidence	€155,230	The project is inspired and based on the second oldest written epic mankind knows, Homer's Odyssey, which tells the mythical journey of Odysseus, who first takes part in the ten-year-long Trojan War and then suffers another ten-year-long wandering on the Mediterranean Sea. The myth in general is an image that helps us to glimpse the hidden or mysterious aspects of the human condition. The myth is always a story that reaches beyond the specific experience of the individual who speaks to us all, because it expresses a collective, even universal experience.	Selected

Sometimes youths come from social or economic backgrounds that hinder them from being fully included by other students or from giving their full potential. Coaches need to be equipped to handle such issues and know how to bypass these obstacles and provide a training environment that is inclusive and supporting to the disadvantaged youths.	Selected
