'Bridging Youth Through Sport' programme at Stella Maris

Between October 30 and November 5, Stelmar Sports Federation, the sports organisation within Stella Maris College, Gżira, will be hosting the 'Bridging Youth Through Sport', an Erasmus+ project fully funded by the European Union.

Sixty youths, aged 13 to 16 and hailing from 12 countries, namely Bulgaria, Croatia, Czech Republic, Estonia, France, Italy, Lithuania, Palestine, Romania, Spain, Turkey and Malta, will be participating.

A number of refugees currently residing in Malta are also expected to take part. The event will feature six different sporting disciplines: bowling, chess, cross country running, cycling, pool and table tennis.

Apart from the sports events, participants will also take part in cultural visits around the island as well as various workshops tackling European citizenship, maintaining a healthy lifestyle and combating social exclusion through sport, among others.

The opening ceremony, scheduled for October 31 at 10.30am, will be attended by Chris Agius, Parliamentary Secretary for Research, Innovation, Youth and Sport.
