The European Union Programmes Agency organised the Grant Award Ceremony, where 54 beneficiaries from Malta and Gozo received a grant agreement in relation to their project funded under the Erasmus+ Programme.

The grant agreements presented amounted to:

- €2,919,090.00 under Key Action 1: Learning Mobility of Individuals;
- €1,619,314.00 under Key Action 2: Cooperation for innovation and the exchange of good practices (Strategic Partnerships) and
- €50,000.00 under Key Action 3: Support for policy reform.

The event also represented an important opportunity for beneficiaries to meet members of the National Agency's staff who will be guiding them throughout the different stages of the project life cycle.

During this event the beneficiaries also had the possibility of discussing preliminary general points of information about the initial stages of implementation with an aim to secure good project management practice.

Minister for Education and Employment Evarist Bartolo, present for the event, welcomed the diversity in the proposals and said that beneficiaries should utilise to the full the potential of these projects.
