Peer learning seminar for Member States and Commission on Youth work as a recognised and value added tool for cross-sectoral cooperation in supporting young people's transition to adulthood and the world of work	30-31 MAY 2017	MALTA	Peer learning seminar related to Youth work as a recognised and value added tool for cross-sectoral cooperation in supporting young people's transition to adulthood and the world of work.
Seminar for Youth and Sport policymakers on Democracy, youth and sport - cross-sectoral approaches for the active participation and engagement of young people in civic and democratic life through sport	26-27 June 2017	MALTA	The seminar will consider how, through their active participation and engagement in sports, young people can experience the pressures, responsibilities and rewards of working and interacting with each other in group activities that have particular disciplines and aims and how these can help inform and prepare them for democratic and civic engagement in the wider society.

TCA Sending Activities are training opportunities supported by the Maltese National Agency, the Indicative Calendar shows tentative dates as actual dates are confirmed once the call is published on the SALTO website. Training opportunities are subject to change since these are organised by other National Agencies; thus it is important to check the TCA Training Opportunities section in the EUPA website on a regular basis.
